

ADOPTED

*on September 1st, 2021, on the basis of directive no 1-7/3
of the Director of Audentes International School*

ADMISSION POLICY OF AUDENTES INTERNATIONAL SCHOOL IB STUDY

GENERAL PROVISIONS

The student admission policy regulates the admission of the students to Audentes International School study. The entrance to Audentes International School IB Diploma Programme (DP) will take place based on school readiness and assessment tests (Grade 11 and 12) and the results of admissions tests and academic achievements IB prior year (Grade 10).

The deadline for the registration for school assessment tests and the time for the tests are confirmed by a directive of the Audentes International School Principal.

Students without prior registration or without photo identification documents are prohibited from taking part in the admission tests. Registration for the school assessment and admission tests occurs through the school website.

Students' practical assignments completed during tests are preserved until the start of the new school year.

The discovery of intentionally false information provided by the applicant or parent (guardian) results in the student's exclusion or removal from the list of student candidates.

ADMISSION TO IB DIPLOMA PROGRAMME (DP)

ADMISSION TO IB DP PREPARATORY YEAR (FORM 10)

The first academic year of the IB Diploma Programme starts in Grade 11 and is preceded by a preparatory year. The admission to Audentes International School DP prior year will generally take place on the basis of the results of admission tests, interviews in English and academic achievements.

Admission tests take place at the Audentes International School premises or online.

The students who have successfully passed the admission tests (based on ranking lists) are invited to interviews conducted in English.

The final results of the examination will be sent out by e-mail within ten days of the final interviews.

The compilation of the student candidate list is based on the results of the admission tests, interviews in English, academic achievements and the number of IB student places available.

Students with negative marks on their report cards cannot become Audentes International School student candidates.

A student who has a negative final mark on their report card or a negative exam result shall be deleted from the Audentes International School student candidate list.

On admitting new students to Audentes International School, the following criteria are considered (proportion in the brackets):

- results of the admission examination (75%);
- academic achievement in basic school (15%);
- other skills and values for Audentes International School (15%).

In order to enrol in Audentes International School upper secondary school, the successful student candidate (in case of restricted legal capacity, their legal representative) shall submit the following documents:

- a written application;
- a certified copy of the entrant's identification document (in its absence, a copy of the birth certificate);
- if the application is submitted by the entrant's legal representative, a certified copy of the representative's identity document);
- a certificate of the completion of basic education or its equivalent;
- a medical report.

The decision regarding the admission of the student candidate is announced by July 1st.

Acceptance will be based on exam results; the highest scores will be given priority.

ADMISSION TO IB DP (GRADE 11 AND/OR 12)

Admission to upper secondary school (DP1 and DP2, IB DP) takes place in exceptional cases of the availability of vacant student places for students studying according to the IB or other equivalent curriculum in international schools and is based on the admission tests followed by an interview in English.

Admission tests include tests in English, Mathematics and Academic Ability.

Upon registration to the entrance tests, the Student candidate shall apply, a certified copy of their report card, and a motivation letter.

The results of the entrance tests will be sent out via e-mail within ten days of taking the tests.

The student candidates who have successfully passed the entrance tests shall be interviewed in English. The student candidate's verbal language skills, motivation, communication skills, scope, activity, and accomplishments are assessed in the interview.

The student candidate's admission decision is announced within ten days of the interview via e-mail.

Students with negative marks on their report cards cannot become Audentes International School student candidates.

On admitting new students to Audentes International School, the following criteria are considered (proportion in the brackets):

- the results of the admission tests (75%);
- academic achievement in basic school and/or upper secondary school (15%);
- other skills and values for Audentes International School (15%);
- the student's interests and activeness;
- the compatibility of the student's subject choices with the Audentes International School IB curriculum.

In order to enrol in upper secondary school (DP1 and DP2, IB DP), the successful Student candidate (in case of restricted legal capacity, their legal representative) shall submit the following documents:

- a written application;
- a certified copy of the entrant's identification document (in its absence, a copy of the birth certificate);
- if the application is submitted by the entrant's legal representative, a certified copy of the representative's identity document).
- a certificate of the completion of basic education or its equivalent.
- a medical report

Acceptance will be based on result of the admission tests.

AMENDING AUDENTES INTERNATIONAL SCHOOL ADMISSION POLICY

Audentes International School Admission Policy is reviewed every academic year. School's Study Council and Board must approve amendments to the Admission Policy.
